Dear Mr. Hurt:

It was brought to the town board's attention during the monthly April 16, 2024 meeting that an illegal driveway has been placed on your property within the township of Bashaw. There was no application, fee or inspection done prior to this installation. You must complete an application and have it brought before the town board for inspection. In failure to do so within the next month your non-compliance may be turned over to a prosecuting party.

Thank you for your cooperation in getting this situation resolved.

Sincerely,

Bashaw Town Board
