Dear Ms./Mrs. Lindberg:

It was brought to the town board's attention during the monthly April 16, 2024 meeting that there is an excessive amount of litter/trash/strewn garbage/etc located on your Scott Drive property. There have been a significant amount of complaints from other citizens in regards to the condition of this situation. You must clean and remove this litter/trash/strewn garbage/etc immediately. Failure to do so within the next month this case may be turned over to a prosecuting party, public health or any other entity deemed necessary to remedy the situation.

Thank you for your cooperation in getting this situation resolved.

Sincerely,

Bashaw Town Board
