

**ANNUAL MEETING NOTICE
TOWN OF BASHAW**

Notice is hereby given that the Bashaw Town Board
Shall hold its annual meeting on Tuesday, April 16, 2024 @ 6:00 p.m., at the Bashaw townhall
Lesa Dahlstrom, Clerk/Treasurer
Town of Bashaw

Financial Statement

Motion by Terry Dryden to approve the financial statement, second by Kent Wabrowetz. Motion carried.

Public Input

SET ANNUAL MEETING DATE: Consensus was to keep it per statute.

David Wilson inquired as to what the township is doing to prepare for the re-evaluation that is being mandated. Degner responded that the township has continued the contract with Jeff Markham (Midwest Assessment) and it will be conducted for year 2024.

David Wilson inquired if everyone was aware that the school district of Shell Lake will be approaching for a referendum proposal.

David Wilson stated that county board had their re-organization meeting today. The ATV application was approved for County Highway B.

David Wilson also inquired as to why zoning was placed on the agenda from last meeting and this meeting. Bashaw is one of the three townships that are not zoned. The reason that was even put on the agenda was because the UDC inspector is having significant issues with building codes and compliance. Wilson did state that the ultimate violation of the UDC code falls within the county. Wilson suggested that Degner contact the zoning department and they could possibly assist.

Motion by Terry Dryden to adjourn the annual meeting, second by Kent Wabrowetz. Motion carried & meeting adjourned. 6:38 p.m.
